3. Conclusion

Throughout the year, a number of charity events of social significance were held: a festive concert dedicated to the Day of the Elderly at the municipal state institution "Social residential home for single pensioners, disabled, and married elderly couples and family pairs"; and a concert at the orphanage in Almaty. Creative ensembles and students of the conservatory participated in these concerts.

Additionally, soloists and ensembles from the conservatory took part in numerous competitions, festivals, and concerts, gaining valuable motivation for their professional development.
