Quality Objectives of the International Programs and Cooperation Department for the 2025–2026 academic year

The main quality objectives of the International Programs and Cooperation Department for the 2025–2026 academic year are to maintain a high level of compliance with the ISO 9001:2015 international quality management standards and to continuously improve its effectiveness. These goals include:

1. **Developing international cooperation in the educational and cultural spheres**, with a focus on fostering and strengthening ties with leading foreign creative universities and cultural institutions that promote the exchange of knowledge and experience in the academic field.
2. **Providing advisory and organizational support for the academic mobility of faculty and students** in undergraduate and graduate programs through participation in global educational programs, as well as through partnerships with foreign universities.
3. **Integrating the Conservatory into the global cultural community** by facilitating the implementation of joint international cultural projects, seminars, and conferences aimed at promoting Kazakh culture and music on the international stage.
4. **Adapting international experience in cross-cultural management** and incorporating it into the Conservatory's processes to strengthen its position as a center of higher musical education in Kazakhstan at the level of management decisions and to enhance the competitiveness of graduates on the international stage.
5. **Participating in the organization of the accreditation process** for seven of the Conservatory's graduate programs at the international Musique agency (Belgium).
6. **Providing advisory support** to the Conservatory's departments on matters of international cooperation and **coordinating work** in the field of international relations with educational and cultural organizations from both near and far abroad.
7. **Ensuring translations from English and adapting incoming international documents** for international cooperation purposes.

**Vice-Rector for Scientific and Creative Activities
and International Cooperation**
